

TV Situation

If Seinfeld dealt
with nothing, then
successors handle less.

I'm grazing & now 3
blondes stand as trees,
asymmetrically planted.

The conflict? The old gos-
sip triangulation: A tells
B what C revealed about B.
& against A's promise!

Specifically that B was
a rutting slut.

Well, nah. That'd bring
fireworks waking these cows.

The actual conflict? Too trite even
for verse in these American times.
